Dave, the Town Manager said that Thursday March 17th works in his schedule, does 10am work for you?

We will be meeting at Town Hall, 253 Atlantic Ave.

Thank you.

Hi Jim,

That's fine. I'm currently available anytime Monday 3/14, Tuesday 3/15, or Thursday 3/17. I have a slight preference for Tuesday or Thursday.

Good morning Dave,

The meeting that we're requesting is really to have a conversation about the Consent Order itself and to discuss it with you.

We will have Tighe & Bond (our engineer) and Woodard & Curran (our plant operator) there, we are interested in making sure we are all on the same page regarding tasks and deliverables.

At this juncture we view it as an informational session and we were not planning to have legal counsel present.

Jim

Hi Jim,

I'm happy to meet that week. The EPA attorney is interested in attending, but will only come if you are also planning to have an attorney there. Otherwise, it will just be me. Please let me know, so I can provide dates that work for us.

Good afternoon Dave,
Still compiling stuff for you as for our response.
I've gotten input from Kleinfelder and Woodard & Curran and am meeting at 2:30 today with our Town Manager and Mike from Tighe & Bond.
I have (hopefully) one final meeting with W-C tomorrow when Frank returns to the plant and then I should have everything together.
Thank you for your patience, we are trying very hard to complete this.
Jim

Hi Dave,

I'm meeting again tomorrow with Frank from Woodard & Curran and on Friday with Mike Schrader from Tighe & Bond to go over your document.

I'm still waiting for input from Kleinfelder as well, would it be alright if I got my response out to you the beginning of next week?

After it gets compiled, I want to run it by the Sewer Commission prior to sending it out.

Thanks

Jim
